

**Missouri Clean Water Commission
Finding of Necessity for Rulemaking**

10 CSR 20-7.031 Water Quality Standards

Pursuant to 536.016 RSMo and the DNR Rulemaking Policy and Procedures, the Missouri Department of Natural Resources, Missouri Clean Water Commission finds on this date, May 2, 2012, that the amendment to 10 CSR 20-7.031 Water Quality Standards is necessary to carry out the purposes of Chapter 644 of the Revised Statutes of Missouri.
